Chop Stop Allergen Information

We rely on Chop Stop-approved food manufacturers for accurate allergen information. Variations may occur due to differences in suppliers, ingredient substitutions, and recipe changes. As our operations include shared preparation areas, cross-contact may occur. If you have a severe allergy you are at a much greater risk of a serious reaction; please consult with your doctor and proceed at your own risk. Our restaurants are not gluten-free-certified facilities and we make no claims that any menu item prepared by us is gluten-free. For further assistance, contact us at info@chopstop.com.
